Hose Retractor

Amvex Corporation's Hose Retractor is manufactured with the highest quality materials. Our Hose Retractor can be attached directly to a ceiling outlet or to the ceiling itself. The Hose Retractor is manufactured using 48" of heavy duty cable. It can easily be installed with any of our Hose Assemblies.

Installation Instructions

1. Remove one screw from outlet
2. Align "L" Bracket over screw hole on the outlet
3. Place screw through hole in "L" Bracket and into outlet
4. Fasten screws until "L" Bracket is secured
5. Set plastic sleeve to desired location on Hose to ensure Hose is protected
6. Secure the cord wrap around plastic sleeve and Hose
7. Pull the cord wrap snug to Hose; be careful not to over tighten as it may restrict the flow
